Important!

Section 43(h), Title 14, of the California Code of Regulations requires propagation, distribution, acquisition and wild-caught records or a signed statement be submitted to the Department **on or before December 31 of each year**.

SPECIAL NOTE: If you did not distribute, propagate, acquire, or wild catch native reptiles during 2011, **you are still required to submit all records or a signed statement indicating zero**.

If you are not renewing your permit, because you are no longer doing activity which requires the permit, **you are still required to submit final records or a signed statement on or before December 31, 2011**. Additional records are also posted on the Department's web page at www.dfg.ca.gov/licensing/forms/.

Check List for Renewing Your Native Reptile Captive Propagation Permit

Please read the instructions on the application before completing. **Incomplete** reports and/or applications will be returned and may **delay** the issuance of your permit. Mail **ALL COPIES** of the application and reports. Please remember to:

- ✓ Review the preprinted information carefully, line through incorrect information, add corrections, and provide information required to complete the application.
- ✓ Complete, sign, and date the 2012 Native Reptile Captive Propagation Application (FG391b).
- ✓ Complete, sign, and date the Distribution Record (FG391c), Propagation Record (FG391d), and Acquisition Record (FG391e), or provide a signed statement that no species and/or subspecies of native reptiles were purchased, received, sold, delivered, caught, or possessed during 2011.
- ✓ Submit a cashier's check, money order, or personal or business check. If paying by credit card, complete, sign, and date the credit card authorization form.

Reminder

Please identify the species by the common **and** scientific names used in Section 43, Title 14, of the California Code of Regulations when completing the application and records. The Native Reptile Captive Propagation Laws and Regulations (FG391) are posted on the Department's web page at www.dfg.ca.gov/licensing/specialpermits/.

Recording Wild-Caught Information

Please use the enclosed Wild Caught Record (FG391f) to record wild caught captures, dispositions, and deaths. The Wild Caught Record was developed to help the Department obtain more information about wild-caught specimens of reptile.
